2. CODE OF PRACTICE:

The Association supports and adheres to the Environmental Codes of Practice as set by Club Approved Affiliated bodies QGFA & ANSA.

Consider and respect the rights of others when engaged in any aspect of angling.

The underlying spirit of angling is that the skill of the angler is pitted against the instinct and strength of the fish and the latter is entitled to an even chance for his/her life.

3. LOGO:

To be advised.

4. OBJECTIVES:

To promote the sport of fishing as a recreational, scientific and in an environmentally responsible manner.

To observe and practice the relating fishing policies of both State and Federal regulations. Adopt and conform to the rules and regulations of both ANSA and QGFA.

To encourage and assist in research programmes dealing with the conservation and orderly management of all marine species and the population of their natural habitat.

Australia Day QGFA Tournament, to retain this date and maintain the highest acceptable standard possible and actively promote this as our

major tournament. Promote and organise an annual Sportfish Tournament at a suitable time each year. To engage in competitions with other affiliated QGFA & ANSA clubs.

To encourage and promote the junior anglers of the club.
