### Chairman's Report October 2019

Hi everyone. I can't believe it is almost Christmas time again. That means we will have to organise our Christmas barby and weigh-in which will be held on the 15<sup>th</sup> December (lock that date away). We will have to contact Santa and get him here on the day. Have a think about nominating your children/grandchildren for presents.

Congratulations to "OverIt" and Steve's crew fishing under our banner for taking out the Whitsunday's Tournament, with "Liquid Asset" coming second.

The Hervey Bay tournament will have been run as this Tackle Box goes to print, hope our boys do well. Quite a few tournaments coming up, hope the fish start to show up also.

The Tournament Committee have been working tirelessly behind the scene organising trophies, shirts etc. Maddie is doing a great job asking everyone she meets for sponsorship. If you have friends or relies that might be able to sponsor us for 12mths or for the RADT in January please let the committee know. We have a very professional prospectus which we can email or give to prospective sponsors. Again if you can help out in anyway please let us know.

We have recently finalised and signed our MOU with the MBBC. This went very well with the Boat Club giving us great support and agreeing to drop the monthly rent we were being charged for our meetings and shed hire. Please support the MBBC when ever possible as they work hard to improve the club for all members.

Great to see some new members coming along, please make them feel welcome and perhaps invite them out fishing. Our next Monday night meeting will be November 11<sup>th</sup> with our weigh in on the grass on Sunday 17<sup>th</sup>. Last month's was a cracker with a good roll up and some fish to weigh. Thanks must go out to Greg who mans the barby each month and again the people who are working behind the scene for your enjoyment. Please make an effort to come along.

Tight lines, Cheers Ralph.

## Club Captain's Report

Hi all,

Well this month has seen many of us still trying to get that first marlin in our waters. Outside our region I can record that some of our lads competed in the Whitsundays tournament with "Over it" winning 1st prize and some of our members also competed on "Liquid Asset" coming in second. The lads were busy also hauling in those sports fish as well, making it a great weekend.

The tournament committee have been very busy organizing our major Australia Day Billfish event and all we need now is awesome weather. Anyone who would like to assist for our briefing night and BBQ, we welcome your assistance.

Lastly, Don't forget to support our other clubs events coming up in November.

Keep on fishing ...

Tight lines

Maddy Eagle

Mick King with a great barra

## Weighmasters Report

There was a great turnout to the weigh in last month out on the BBQ, grassed area. It was great to see everyone come down to enjoy the BBQ with a drink and have a chat.

Unfortunately, the weather was not very kind over the club weekend making it difficult to chase the fish of the month. However, Noel and Lynnne Day each brought a fish back to weigh. Noel's bream went 0.52kg and Lynnne's Javelin went 0.55kg, meaning that Lynnne won the inshore species fish of the month.

The off-shore species didn't go off this month, so November's off shore species will jackpot, wherein, the Mahi Mahi will be worth \$100, and the Salmon will be worth \$50.

Congratulations to Lynnne and hope to see you all next weigh in with plenty of fish to weigh.

Happy fishing,

Ryan Grech

### Qld Sportfishers Report for November

The recent State AGM held on the Sunshine Coast was well attended and there were a few changes to the executive. Nathan Johnson did not renominate for the president's role as he has been busy with his new fishing guide business based in Rocky. Adam Royle was nominated and elected to the top job. Congratulations to Adam. He is a good bloke that will do a great job of it. I was renominated for Events Convener and Andrew Doherty agreed to be Treasurer again. Our club is well represented with ANSA. The executive is -

President – Adam Royle from Hinchinbrook SFC.

Vice-president – Nathan Johnston from Keppel Bay SFC.

Secretary – Rodney Enkelmann from Keppel Bay SFC.

Treasurer – Andrew Doherty from Redcliffe Peninsula G&SC.

Events Convener - Michael King from Redcliffe Peninsula G&SC.

Research & Tagging - Robert Dover from Kingaroy SFC.

PR & Media – Matthew Leavy from Hinchinbrook SFC.

Records - Helen Johnston from Bundaberg SFC.

I would like to thank the Sunshine Coast Sportfishing club for hosting the annual festival. Sunshine Coast SFC are probably the largest ANSA club in Qld so it's great to see them become more active with other affiliate clubs. Next year the QLD Sportfishers Festival will be held in Hinchinbrook region, so if you are keen to catch Barra, Jacks or GT's you best be coming along. I have been told the offshore reef fish is amazing.

I recently attended the ANSA National AGM in Sydney at the South Sydney Amateur Fishing Club. I was there to represent Qld Sportfisher. It was great to catch up with John Burgess and the National Executive. The old committee was basically re-elected due to no one else nominating. The Chairman role was not filled if anyone is looking to get involved and represent recreational fishers. Fishos rights are always under attack and ANSA national are fighting these battles on our behalf right across the country. Politicians are not normal people, so we need to stay vigilant and support our peck bodies such as ANSA National.

Just a note, Tagatoga is booked out for 2020 already.

In the online Champion Club Leaderboard, we are 4<sup>th</sup> place behind Kingaroy SFC (boys from the bush) at the time of writing this report. There are quite a few species not yet caught and submitted that we would normally have been on the list, like Dart, Sand Whiting, Garfish, Yellowbelly, Bartail Flathead, Thready, Jewfish just to name a few.

Currently our club has two monitoring plans in place. These plans mostly covert inshore and Moreton Bay. I suggest that we look at these to adjust or add new plan to extent these tagging programs out to area we regularly fish offshore. I will be making suggestions to make some changes in this area. Tagging for research is popular many anglers and maybe we can use this to draw in some new members.

A reminder to ANSA members as we head into summer that all the Gamefish are on the species list, so please don't forget to measure/weigh/photo and submit your captures. Sailfish, Blacks, Mahi Mahi and Wahoo all count.

See me if you need tagging stuff, have a few of each left.

Cheers Mick King
