# TACKLE BOX

## August 2013

A big 'congratulations' to Noel Day on the capture of his 1 metre + barramundi, and to Lynnie Day on her 860mm barra ... well done you two!

Great to see the dolphins back in the canals this weekend – suggests plenty of bait fish around...

Proving you can catch decent fish off the canals... Robbie Drysdale with a flathead caught on 2kg off her pontoon.

# Chairman's Report - August

Hi All

Firstly I would like to thank the new committee and the delegates on their recent election at the 2013 AGM. I appreciate their willingness and enthusiasm to donate their time and energy into running and hopefully grow our fishing club. Thanks to all the members that attended and participated in the AGM process. I know it's a bit boring when there are a few motions to deal with. Also thanks to John Schultze for having the audited figures ready in a short time frame. The elected committee and delegates are:

**Chairman** – Mick King

**Secretary** – Greg "Sleepy" Evans

**Treasurer** – John Schultze

**QGFA Delegate** - Dougie Hall

**Club Captain** – Mark Rose

**Weight Master and ANSA Delegate** – Greg Skinner

**Recorder and Tackle Box Editor** – Robbie Drysdale

**Sunfish Delegate** – Jeff Ahchay

I hope you all can attend the Trophy Presentation Night to be held on the 17<sup>th</sup> August at MBBC. I have sent the Flyer out and you need to organise tickets prior to the event. See treasurer Schultze.

Club weekend was well attended and the offshore species (Amberjack) was not claimed. This means it has jackpotted to \$250 for a Pearl Perch. Well worth a crack. The other species is Cod for \$50.

**Please note:** Because of the Trophy Presentation Night falling on the Club Weekend and the MBBC 50th Year celebrations falling on the following weekend, the August club event will now be held on the last weekend of August (31<sup>st</sup> Aug /1<sup>st</sup> Sept). No one wants to fish with a hangover. Also due to the power boat races on the 14<sup>th</sup>/15<sup>th</sup> September, we will move the September club weekend to the 21<sup>st</sup>/22<sup>nd</sup> September. I hope everyone is all good with that and sorry if it inconveniences anyone.

This year we will also be running a competition for the best photo submitted to Robbie, our Tackle Box editor. Robbie will be the judge and we'll have a nice prize for the winner at the end of the fishing year. Please, DO NOT 'bribe' Robbie with red wine, she will not sway, I hope.

The tournament committee have had several meetings and they are well into planning stage for the RABT. If you can assist with sponsorship for the tournament or you know someone who would, please see Dave Trask or myself. This is our 30<sup>th</sup> Anniversary and we want to make it one to remember.

If anyone has suggestions for guest speakers for the General meeting flick me an email and we will try to get them along. If you need any assistance with the club fishing rule, points tables, A.N.S.A or Q.G.F.A or any other aspect of the fishing club please feel free to ask a committee member or delegate.

Tight lines

Mick King

### SPECIAL NOTE - CLUB DAY:

Due to the Presentation being held on the August club weekend and the MBBC having its 50th Year celebrations the following weekend we have moved the August club weekend to the weekend of the 31st Aug and 1st Sept. Nominated species for that weekend are Pearl Perch which is worth \$250 jackpot and Cod which is worth \$50.

**Club Fishing Weekend** will commence at midnight Friday 30<sup>th</sup> August and end at 4.30 pm Sunday 1<sup>st</sup> September (end of club weigh-in). If you weigh-in at MBBC between 3.30 pm and 4.30 pm you will receive double club points and be eligible to win the nominated species prize for the weekend. This includes tags handed in. The double point's bonus is to encourage anglers to fishing on your club weekends and attend the weigh-in. Lock these dates into your calendar.

The Boat 'Hard Yakka' lived up to its name when Greg Skinner fought a +60kg bronze whaler shark for 1 hour 40 before releasing it. They were fishing off Colandra in 140 metres, and finished the day with an esky full of pearl perch...

A great day out on Liquid Asset, despite some nasty storm fronts coming through and some serious sharking. A shame the tough guys on Hard Yakka missed out on the chocolate croissants!
