## Chairman's Report

August 2014

Firstly congratulations to Tony Clarke for tagging the first billfish of the new fishing year. That's the second year running for Tony now. It happened in very similar circumstances to last year. After a double hook up on sailfish, Tony got the tag in his fish before Noel Day. Well done 'Life's Great'.

The winners of the ANSA Length Competition have been finalised and our club picked up five certificates. Sam King won Longest Bass and Yellowbelly for a junior, Noel Day won Longest Sailfish and Snapper, and I picked up Longest Yellowbelly in the seniors. I knew that fish would be hard to beat because it was a monster of a Yellowbelly - it was almost 600mm long. I'm sure we can do better than that this year.

A little reminder that memberships are now due. You need to be financial to accumulate club points.

I hope members can make the effort to come along to the AGM and have your say and participate in the election process. Many of the committee will be standing again but I encourage anyone to nominate for a position if they wish. I have tabled a motion to amend the Fishing Rules. The changes are a result of member feedback and consultation with several members. I will email his 'Notice of Motion' to members prior to the AGM for your perusal.

Thanks to Mark Rose for making the running repairs to the BBQ. It had the wobbles pretty bad. 'Sleepy' has cooked thousands of snags on that BBQ.

Good luck for anglers chasing the nominated species and I hope to see you at the club weekend BBQ.

Cheers

Mick King

Chairman

*For fun and fishing interest we have been tracking the biggest of the species caught and most Billfish tagged in the 2014/15 fishing year. Not worried about line class or what tackle used. Just email me at [noelday@optusnet.com.au](mailto:noelday@optusnet.com.au) and I will keep up dating the list and we'll see who catches the biggest.*

*So stop mowing the grass or fixing the fence and get fishing!*
