Chairman's Report - November

Hi All

Firstly, on behalf of all members I would like to congratulate Noel Day. He has been awarded the prestigious 'Eric Moller Award' by the ANSA Qld executive. This perpetual trophy is only awarded to an individual nominated by their club. This award recognises dedication and service to his club and to the principles of the ANSA movement and their fishing versatility under all conditions. No one else would be more deserving of this award. Well done Noel, you can be very proud of this achievement.

Note the photo competition is running again this year so send those pics in to the Tackle Box. We will have some nice prizes for the best pictures at the presentation.

Last Club Day Weekend we ran a junior anglers competition in conjunction with the usual weekend club activities. 'Champion Junior' was a draw between sisters fishing on 'Little Wing'. Congratulations to Claudia Skinner and Matilda Skinner for their efforts. Well done to all the other kids that fished I hope you all enjoyed the lollies.

Thank you to all the members that have been coming along to our general meeting and the club day weigh-ins each month. It's great to have members getting involved and supporting the club and keeping membership strong. Over the next bunch of meetings we will have some 'how to and tackle info' sessions. We will try to limit the boring stuff and provide more fishing information.

GKR Brakes and Suspension "Meat Tray Raffle" nets our club around \$140 every meeting. This generous donation by Grahame and the GKR team funds our nominated species prizes and subsidises our BBQ every month. Thank you so much **GKR** for all your support. Also it must be my turn to win too.

We are in the process of ordering new club shirts. I have not received too many orders just yet. If you don't send me sizes soon you will have to pick from what is in stock.

Reminder for ANSA members, don't forget to measure your captures for the Length Based Competition. I know it's easy to forget in the heat of the battle but we just need to get in the habit of weighing, measuring, photographing and documenting our captures.

Just a quick prediction for November- the Wahoo will turn up in the usual haunts like Hutchies. They are the usually first pelagic to show up signalling the start to a new light tackle game fishing season.

QGFA members, be ready for the All Ports.

Cheers

Mick King

Just email me at noelday@optusnet.com.au and I will keep up dating the list and we'll see who catches the biggest. So stop mowing the grass or fixing the fence and get fishing still plenty of time to
