Chairman's Report - October

Hi All

I hope everyone is catching heaps of fish. There seems to be plenty of opportunities at the moment. There have been reports of Yellowfin and Blue marlin out wide. Tailor, Dart and Whiting are biting on the beaches. The quality Snapper have been a little hit and miss and the Pearlies have been very quiet. Bass have been biting in the Dams. I have seen several kayaks on Lake Kurwongbah near Petrie recently and reports are they have been getting some nice Bass in the deeper parts. This is good news because the lake has been well known for its Tilapia in the past. Good to know the fish stockings and been very successful.

This October Club Weekend is Kids Weekend. We will have a little extra competition for the juniors. There is no extra fee or forms to complete. Just weigh your fish or hand in your tags as usual for a club weekend and complete your captures sheets and the highest point scoring kids will get a trophy and bragging rights. Have fun kids and see you at the weigh in.

At the last AGM for our fishing club, we voted on and accepted a new set of fishing rules to play by this year. Previously, to be a member of the fishing club you needed to be a member of QGFA or ANSA, but this has now changed. The current rules allow members the option of not joining QGFA or ANSA. However if you choose not to join QGFA or ANSA you are NOT eligible for any club points, trophies or club weekend prizes. The intention of this rule adjustment is so non fishing members can still join up and feel part of our club.

As previously mentioned we are ordering new club shirts. There are several variations to pick from (long or short sleeves or with a pocket) and we will order some stock for ongoing purchase. We are ready to take your order.

ANSA recently held their AGM. Due to poor attendance in previous years the committee decided to try a new format and do the AGM online. Our delegate Janine Cole attended for us and I'm sure she will be able to answer any ANSA questions.

RADBT is steadily gaining momentum. Tournament director Mark Rose is the man to see if you would like to assist or have any questions.

Cheers

Mick King
