**Chairman's Report**

**March 2016**

Hi All,

A few of the club ventured up to Somerset Dam recently and it wouldn't be a RPGFC camping weekend without a heap of rain... yep, 41mm in 3 hours. Certainly tested out the camping gear however everyone seemed to get out fairly well and kept dry and I tagged a ripper Bass. We're trying to get away to do some fishing and camping every few months so let us know if you're keen and come along.

We are full steam ahead with our upgrades to the grassed area, just waiting on delivery of our extra shade sail and all is on target to be completed by the April club weekend!

Our sports fish comp will be held in May on the club weekend. More details will be in next Tackle Box, but we're planning it to be bigger and better than ever - 7 major prizes with trophy and fishing gear up for grabs...open to all RPGFC members, and ANSA members from other clubs.

We're quickly approaching the cut-off time for the formation of our tournament committee, and to date have not had much interest. I'm afraid if we cannot form a committee by the end of this month the November All Tackle Tournament may not go ahead. Anyone interested in helping out please contact myself or any of the executive committee.

We have some exciting new club merchandise to unveil over the next few weeks: new rain jackets, stubby holders, club patches, flags and hats are on the way too. We also have RPGFC branded brag mats. All the merchandise will be sold at cost so don't miss out as there will be limited numbers of all!

Fingers crossed for some decent weather over the club weekend so we can see some fish weighed in, but if not I hope to see you all there for a BBQ and a catch up ... looking forward to catching up with everyone at the meeting.

Keep a bend in it...

**Weighmaster's Report**

**March 2016**

I am going to be accused of having boring reports. Sadly there is nothing to report, once again.

Our weigh-in Sunday afternoon Barbeque was a great success as far as socialising went, but no fish to weigh in, meaning we have a jackpot on the this month's species. This run of lousy weather on the weekends has to end soon. The Valentine's Day theme was a great idea and we hope the ladies enjoyed the extra attention.

This month (March) our species are Bream and Mack Tuna. Surely we have to get some decent weather to allow us to go out and catch some fish for the weigh-in!

Cheers.

The Pirtek Fishing Challenge is coming up (20 March 2016) it is raising money for the Prostate Cancer Foundation of Australia and the Peter Duncan Neuroscience Research Unit of St Vincent's Hospital. Although this challenge is not club related, it raises money for a great cause and is normally a bit of a fun. We just wanted to remind you all about this event, as it may interest you.
