## Chairman's Report

July 2016

Hi All,

What a year! The points have been tallied, scores are in and the all new asbestos trophies are on the way! Over the last twelve months we've seen Lots of fish caught, released, tagged, photos taken and perhaps just a few ended up on the dinner plate. We've had inter club tournaments, camping trips, many a weekend enjoying each other's company, welcomed many new members into the fold and unfortunately we've farewelled some great mates too. Political wins and losses, competition wins and losses, many many lost fish to brag about what could have been, and loads of memorable moments.... Making memories and telling stories about them is what life is about, and I recon we've had a good crack at it this year!

We still have some more coming up too:

- RPGFC presentation night is the 30<sup>th</sup> of July...who will take out the converted toilet seat this year?
- AGM is on August the 9<sup>th</sup>. Come along and help forge the club's future.
- QGFA AGM booked in at the Morton Bay Boat Club for August 12<sup>th</sup>-14. All members should have received an email for registration, so if you miss out, yell out.
- ASNA AGM will be held on September 2<sup>nd</sup>- 4<sup>th</sup>. Plans are to have a friendly comp on Sunday, midnight – 1530 weigh in! All the winners get a photo and kiss from the ASNA conveyor Maddie Doherty or ANSA President Nathan Johnson...you pick...I plan on collecting the whole set, one from each!

Busy few weeks ahead, so strap in, hang on and WIND WIND WIND.

Along with the introduction of a code number for both month and club weekends, we've made some changes to the species list for club weekends too, keep an eye out for the updates to the list in this Tackle Box.

Thanks again to everyone who has pitched in over the year, many new people putting up their hands to help along with the good old reliable group.

Sooo what are you waiting for.... get out there and get some points on the board for the new fishing year. Who is going to tag the first stickface this year?

See you all on Sunday the 17<sup>th</sup> for a feed, some bevies, and a yap on club weekend - love to see a heap of you there.

Keep a bend in it.

Greg (Skinny)

June Weigh-in

July 2016

# Tackle Box

**Weighmaster's Report**

**July 2016**

A great afternoon on the deck for our June weigh-in barbeque. Despite the cold and wet weather the atmosphere was warm and inviting. A good weigh-in, with quite a few different species hitting the scales.

Noel Day topped the list with his 19.6Kg Longtail Tuna to take the prize money for the Monthly Offshore Species, nice fish. A few bream were weighed in for the Inshore Species comp, with Andrew Doherty taking the money with a 0.67Kg bream. Janine Cole weighed a 2.00Kg Tailor caught locally from the shore, great effort on 2kg line. A few Snapper were weighed, with one going 7.44kg caught inside the bay and another at 5.86Kg. They were caught by Jason Comino and Jo Mulders who had a great session on Saturday morning while the weather was good.

This month we are looking for Amberjack and Tailor. Janine will have to try her technique and spot again to clinch the money. There should be a few Tailor on the local reefs now after the westerlies. Wet a line, take the kids out and enjoy our wonderful sport. See you all on Sunday afternoon. Cheers.

Reminders

July 2016

## Reminder Re: Club Days Weigh-in

To gain double points on Club weekend **YOU** must bring your fish to the weigh station on Sunday afternoon of the club weekend between 3.30pm and 4.30pm. All fish weighed outside those times will only count as single points.

This rule has been adopted for years now to encourage anglers to join in on the social side of the Club Day weigh-in. Remember if it is crapy weather we now have the deck booked to stay dry on those days, so come along and join the fun.

It's a new season now so get out there and start fishing I am looking forward to having plenty of work to do in the new season. Don't forget to send me your biggest fish for our Brag Page.

July 2016

**MEDIA RELEASE**

**Hon Leanne Donaldson MP**

**Queensland  
Minister for Agriculture and Fisheries**

## **Moreton Bay net-free zone consultation underway**

The Palaszczuk Government has started conversations with key stakeholder groups on how a net-free zone could be implemented in Moreton Bay.

Fisheries Minister Leanne Donaldson said exploring the best way to implement a commercial net-free fishing area in the Bay was an election commitment.

"Six months after creating net-free zones off Cairns, Mackay and the Capricorn Coast we are talking to interested parties in Moreton Bay," the Minister said.

"At the outset I want to make it clear that the views of recreational and commercial fishers, as well as other key stakeholders, will be taken into account.

"I recognise issues associated with establishing a recreational fishing haven in Moreton Bay are complex given the nature of the fishery and the number of fishers who make use of the resource.

"It will take time to work through the options. I want to make sure that all possible impacts are understood and carefully considered ahead of any decisions.

"By the end of the year we will have data on the impact of the net-free zones we established on 1 November 2015.

"We will also have a much clearer picture of what the commercial and recreational stakeholder groups want in Moreton Bay.

"The consultation process will offer an opportunity for all those who want a say to be heard."

The Minister said discussions would centre on gaining the maximum benefit for the region and for Queensland from the fisheries resource in Moreton Bay.

"The Palaszczuk Government has already met its election commitment to create net-free zones in Cairns, Rockhampton and Mackay.

"As part of our Sustainable Fishing Policy we are now ready to explore how recreational fishing areas can be best instituted to increase local fish stocks whilst balancing the impact on the commercial industry," Minister Donaldson said.
