#### **Chairman's Report**

August 2016

Hi All,

What a year,

Many thanks to the executive committee - we managed to get a lot done this year - but it would not have been possible without the support of the whole club and the hard work done by previous committees. To everyone who has pitched in over the year, thanks a bunch. Many new people have put up their hands to help along with the good old reliable group.

Over the last twelve months we've -

- Given our beloved grass BBQ a face lift.
- Placed our signs up all over the boat club so many we could be accused of rebranding.
- We've competed in the South East Queensland Challenge...we're still yet to hear the placing but believe we were in second?
- Held two successful gamefish tournaments that exceeded +200 anglers.
- Been invited to compete in the Hawaiian International Billfish Tournament!
- Had a kid's room constructed, sponsored by the fishing club.
- Raised \$3,500 for the Coastguard via our raffles.
- Updated social media content and brought our finances into the 21<sup>st</sup> century with electronic banking.
- We've managed to wrangle one of our own onto the MMBC Board of Directors and have a Memorandum of Understanding signed by both ourselves and the MBBC.
- Our sportfish comp saw triple the entries from previous years hopefully we can do that again next year and triple it again!
- ANSA and QGFA meeting held here will showcase our club to the Queensland fishing community.
- We've farewelled some great mates, members of the club and held ceremonies in their honour.
- Had a few camping trips that seem to always involve torrential rain or a storm.
- We have our very own team representing us in the Hawaiian International Billfish Tournament.

A ton of fish were caught, released, tagged, photos taken and perhaps just a few ended up on the dinner plate; many a weekend enjoying each other's company, and welcomed many new members into the fold. Many a lost fish to brag about 'what could have been' and loads of memorable moments.... Making memories and telling stories about them is what life is about and I reckon we've had a good crack at it this year!

Thanks again for all your support over the year, here's to many more successful years to come.

Keep a bend in it,

Skinny

Weighmaster's Report

August 2016

Firstly I would like to thank all our members for allowing me the privilege to be the Weighmaster for the last twelve months. I have enjoyed serving our great club in this capacity. Thank you for your support and helping to make the job an easy one. I will put my hand up again for the position as I feel I am getting to know what is required and I certainly enjoy the opportunity to help out in this capacity.

Our July Sunday afternoon weigh-in (the first for this new season) was held on the deck once again because of the weather. It was also more convenient for the Baby Shower for Carl and Christine's' baby. It was a great afternoon. Not many fish weighed in but enough to keep me busy. Beau Rose beat his father Mark to take out the money for the heaviest Tailor, coming in at 0.81kg. Apparently a heavier fish was thrown back earlier in their session as they weren't sure what it was. They need a copy of the Old Fisheries App on their phone which helps identify fish and has all the legal lengths etc., very handy.

Mark Rose also weighed in a nice 0.90kg Bream, caught on 2kg, and photographed several others that were released. Remember to take a piccy with the monthly code of sport fish, instead of tagging. This may change after the ANSA AGM to be held at our club next month. Game fish are still to be tagged, if you can catch one. Still looking for the first Billfish for the new season. Next month we are looking for Pearl Perch and Bream. Take the family out and wet a line.

Cheers

Ralph Bowler

Club Weekend August 2016

To win the money for the monthly nominated fish inshore or offshore species, simply weigh in the heaviest **Pearl Perch** or **Bream**. All fish weighed, regardless of whether they are in for the 'fish of the month' must be labelled with the angler's name and line class. To receive double club points, fish must be tagged or caught on the Club Weekend only and the cards correctly completed and handed in or fish weighed in at M.B.B.C. from 3.30pm to 4.30pm on the Sunday. Prizes for the heaviest 'fish of the month' will be awarded at the following club night.

Remember, club fishing weekend starts on midnight on Friday **12th July** finishing on **Sunday 13th July** with a weigh-in and barbeque at 3.30-4.30pm and the species are **Pearl Perch** and **Bream**. The next **Club Meeting (and AGM)** will be held on **Tuesday 9th July at 7.30pm**.

### Fish Pics August 2016

**Brad Clayton was** fishing with Dave Morton aboard 'Filthy' recently and had a bit of a speculate past the drop off and found an interesting bit of structure to drop on. The rod loaded up as soon as it hit the bottom and 15 minutes later up came the biggest Bar Cod he had ever seen...

They also had a bit of troll heading out and jumped off a nice striped marlin around the 200 metre line. It was a short rigger shot then hooked him up on the shotgun lure.

He noted that there was quite a lot of bait around the 200 metre line.
