Hi All,

Another fishing year done and dusted... And what a year, the points have been tallied, scores are in and trophies are on the way! Over the last twelve months we've seen lots of fish caught, released, tagged, photos taken and perhaps just a few ended up on the dinner plate. We've had inter-club tournaments, camping trips, many a weekend enjoying each other's company, many new members into the fold and unfortunately we've farewelled some great mates too. Political wins and losses competition wins and losses, many many lost fish to brag about what could have been and loads of memorable moments.... Making memories and telling stories about them is what life is about and I reckon we've had a good crack at it this year!

Thanks again to everyone who has pitched in over the year, many new people putting up their hands to help along with the good old reliable group. With that the AGM is approaching and we need nominations for the executive committee. For me it's been a very rewarding 24 months - anyone interested in stepping up please contact one of the current committee members for more information. All of the positions will become vacant however -

Current positions that will not renominate are -

- Chairman
- Treasurer
- Recorder

It's a new year and the score board is cleared, so get out there and get some points on the board for the new fishing year. Who is going to tag the first stickface this year?

Keep a bend in it.

Greg (Skinny)

WOW, what a great sunny afternoon for our June Club weigh-in and the conclusion of our Annual Sport Fishing Competition. There was great anticipation with the finish of our Sport Fishing Competition that saw quite a few fish weighed in. Mark Rose cleaned up all the senior prizes, catching a good variety of fish from Snapper to Winter Whiting. He also managed to catch the "Fish of the Month" a nice Bream that beat several others, he pockets \$100.

Great to see the juniors weighing in fish, with Beau Rose weighing a good variety of fish to take out all the junior prizes. You have to get up early if you want to beat this father and son team. Good to see some of the ladies catching some fish also. A lot of work goes in behind the scenes with these comps organising prizes, attending the Saturday weigh-in, etc. I won't name the people involved in case I forget someone, but thanks heaps Ladies and Gents.

It was a great social afternoon, with fantastic food to top it off. Greg E did a fabulous job on the barby as he does every month. Next month our target species are Amberjack and Tailor. Tight lines.

Remember, club fishing weekend starts on midnight on Friday **14th July**, finishing on **Sunday 16th July** with a weigh-in and barbeque at 3.30-4.30pm. Make sure you take a photo at the time of any capture-and-releases on club weekend if you wish to be considered for the winning fish prize, and email it to the Recorder for verification. Brisbane Marine wins Mercury dealer of the year

Many congratulations to our keynote sponsor, Brisbane Marine, on taking out the 2016 Mercury Dealer of the Year award!

Brisbane Marine in Queensland has been awarded the 2016 Mercury Dealer of the Year award for Australia.

"On behalf of the Mercury team, I would like to congratulate the recipients of all this year's awards," said Will Sangster, general manager ANZP Mercury Marine. "Mercury dealers and boat builder partners across the region continue to raise the bar in providing the boating consumer with what is desirable in today's market. The winners all went above and beyond in 2016 so well done!"

Brisbane Marine was founded in 2013 as a hi-performance Mercury dealer and is billed as the only Mercury Certified Service Centre in the northern suburbs of Brisbane. The dealership handles a range of boat brands including Anglapro, Extreme, Profile and Savage.

"The team at Brisbane Marine are outstanding across the board and I wasn't surprised when they finished on top for dealer of the year," said David Meehan, Mercury's director of sales.

"The dedication of the team at Brisbane Marine is second-to-none. They do everything they can to support their local boating community. They epitomise what customer service is all about as well as passion for the brand."

With two of the Club boats, 'Liquid Asset' and 'Over It' being based for the winter at Airlie Beach, we gladly took up the offer to have a week of cruising the islands, with a sneaky fish thrown in for good measure.

The area has shown a dramatic improvement in appearance with the rapid regrowth of the palms and trees - they were just sticks after Cyclone Debbie had passed through.

Some of the highlights of this trip included hand feeding a very friendly turtle while at anchor, chasing stingrays around the more isolated beaches, feeding giant batfish and viewing aboriginal cave drawings.

One day after rafting the boats up, I threw out a coral trout frame from one I'd caught earlier, tied to a rope on the back of the boat for berley.

Much thrashing of water alerted the team to an intruder ... Gary the Grouper! He was a beauty, and we spent a few happy hours putting out fish frames and watching his cautious approach before taking the free feed.

We caught a variety of species, and along with many fine wines, sunsets and stories it made for some really remarkable memories.
