TACKLE BOX NOVEMBER 2017

FROM OUR CHAIRMAN

I would like to thank Greg Skinner for all his hard work as his time as Chairman of our great club and showing us the way forward, he has worked tirelessly at the position but as we know has had to step down due to work commitments. I have received great support from the committee and club members already and look forward to being able to chair the club as we move forward into a new era.

October saw our club have a couple of teams "Over It" & "Liquid Asset" compete in the Whitsundays Billfish Tournament, unfortunately the teams didn't manage to bring home any silverware but managed to fly the flag. I was lucky enough to be asked by Steve Penman to help bring "Over It" back from Airlie Beach along with Ross Drysdale, which was a great trip with the weather gods shining on us. As I write this Pete & Elizabeth Distel and Brad Clayton are in the process of bringing "Liquid Asset" back so I hope they have as good a trip as we did and wish them safe transit.

It has been a bit quiet on the fishing front, I think most boats have been getting ready for the R.A.T.T. sharpening hooks and checking gear and re-spooling lines. I fished with Tony Clarke and Grahame Rose off Mooloolaba on our last club weekend and although we didn't see any Sailfish we did manage to hook up a black Marlin for a short time before gear failure took over and we watched a nice 40kg Black jump all over the ocean with my lure.

Our Club is lucky enough to be part of the Albert and Pauline Threadingham Trophy once again this year which is held over 4 tournaments, the 1st one which is Mooloolaba Billfish bash coming up at the end of November 25th - 26th. We MUST have 2 boats fish in each of these tournaments to be eligible, anyone who is going to compete please let me know. It is a great way for us to support other clubs as they will also be supporting our comp in January.

Last weekend saw a few of our members play Halloween at Running Creek camp Grounds with the Roses putting on some scary stuff for all the little ones, but mainly it was a great weekend away camping and telling stories as usual.

See you all at the meeting

Noel

NOVEMBER 2017

Two boats (Over It & Liquid Asset) fished the 2017 Whitsunday light tackle tournament in October. A total of 36 boats entered from memory ranging from 17 foot trailer boats to large game boats. The weather was lovely and the shotgun start a great spectacle out the front of Shute Harbour. As expected, local knowledge was invaluable. This event does not require tagging and several species count for points even if not line class (mackerel, tuna, cobia, mahi mahi etc).

Most boats found the tuna, generally northern blue fin or yellow fin, but the billfish were more of a challenge to locate. Several were recorded, with a few sailfish. Unfortunately the Liquid Asset team had to retire at about 10.30am on day one and withdraw - the problem seemed to be monkeys in the engine room (photo attached). A big thanks to Steve and the crew on Over It for taking the Liquid Asset team on board for day two, it certainly beat sitting on the dock emptying the eskies. Day one saw both Redcliffe boats bag the 6 tuna needed, with yellowfin and mackerel to Over It. Day two saw Over It among the Tuna again and unfortunately drop a black marlin. Day three saw no more billfish action for our lads.

In line with our captures we didn't take the trophies but thoroughly enjoyed the event. A great location around the islands without having to travel long distances to fish and a friendly bunch of locals. The Calcutta was both enthusiastic and hilarious. Pete Distel, as skipper of Liquid Asset, was handed the encouragement award - the locals were just as disappointed as we were that we couldn't continue on. A big thanks also to Ash Warland for his assistance in arranging a top local diesel mechanic.

One notable capture was a black marlin weighing an estimated 700 to 800lb on a 17ft Haines trailer boat by a female crew member, a fair effort on stand-up gear and 10kg line.

Over It has safely made passage back to Redcliffe, Liquid Asset is on her way at the time of writing this report.

Cheers for now,

Jon Eagle.

Weigh Master's Report 31.10.17

Hi Everyone. Once again we had crap weather for our monthly weigh-in and barbeque afternoon. It's becoming a regular occurrence. Luckily we were able to hold it on the Deck at MBBC but no barbeque. That was ok as we decided to supply hot chips. They certainly went down well on a wet, cool Sunday afternoon. The afternoon was well attended considering the weather and that a few of our regulars were away.

If you are new to our club or haven't been to a weigh-in afternoon for a while pop down on the 19th. Bring the kids, they enjoy running around on the grass. We can guarantee good food and great company, and maybe you'll see a fish or two weighed in.

Mick King caught a cracker of a Threadfin Salmon on the weekend. He didn't weigh it in but was showing everyone his photo. It will give him a few sportfish club points. There was no "species of the month" caught so the money jackpots to \$100 for November. We are looking for Dollies (Mahi Mahi) and Salmon (Threadfin, no cans of pink Salmon thanks). Mick needs to get down to the Brissy River and get another one. I am sure Nigel will be down there trying also. If you have a chance of joining them it is great fun.

Tight lines and cheers.
