MARCH 2022

Frank making the most of the bad weather
Having a fish in the back yard

**MORETON BAY
BOAT CLUB**

**Next Club Meeting
will be on the 9TH MARCH 2022
starting at 7pm**

Chairman's Report

As expected February has been a quiet fishing month with very few members getting their lines wet.

We saw the start of the Friday night raffles at the boat club. Thank you to the 2 Johns, Greg and Neil for doing the raffles once again. Our club is responsible for doing these on the 3rd Friday of each month so come down and lend a hand it raises money for your club.

Lynnie and myself have been away at Bjelke Day for a few days enjoying the peace and quiet. While there was very few fish caught with the dam at 106% there was just too much water in between them. I wasn't the only one not catching fish and to add to the disappointment there was no red claw to be had, 😞 but we managed to have a great relaxing time.

This coming weekend was to be the Annual Tag A Toga comp, we had 3 teams ready to fish it but due to the extreme weather and the flooding of the Borumba Dam it has been called of. Anyone thinking of going fishing I recommend staying off the water for a while there will be a lot of debris making boating dangerous.

Stay Safe on the water

Noel

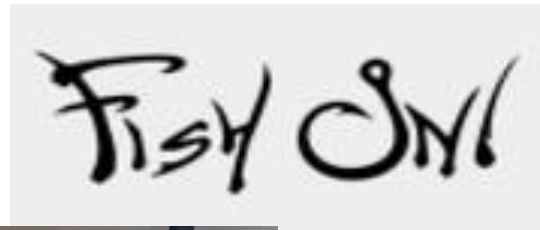

Club Captain's Report

G'day all,

Well it's been another slow month for fishing with the way the weather has been. This may have been one of the factors that we had only a small handful of people at the club weekend bbq. I would like to encourage members to come down to the bbq, even if they don't get any fish for the weekend, for a drink and a chat. Even if you don't catch the target species there is still double points for the weekend and all fish caught will be weighed.

We have finalized the plans for the ANSA Sth QLD Interclub Challenge the details are on the Ansa website along with the registration for the event, will also be on our website and fb page.

Thankyou to Dan Smith from fisheries for coming to our last meeting and giving a presentation on the Fads.

March Report

In the Champion Club category, yes, we are still sitting in 6th position behind Hinchinbrook and Kingaroy with 36 species. I am sure over the next month we will be adding a few.

All the details for the STH QLD INTERCLUB CHALLENGE hosted by our club are on the ANSA QLD website. Click on events. Will be held on the weekend of the 20th to 22nd May. Kingaroy SFC is the current Champions after winning last years event by a whisker. I hope all our ANSA members can get involved. Even if you are not fishing it would be great if you can come down the club on the meet and greet and support the club. There is no entry fee.

This year the Statewide All Species Challenge is back. It will be held on the May Long weekend. The concept is just catch as many species as you can. The ANSA Executive had its quarterly meeting on the 22nd of February. There is some of the usual boring stuff like insurance cover, financials and it support. But one item of interest is the new record category for Landbased fishing section. The website should be ready to start accepting records in a few months.

Just in case you are wondering, currently ANSA QLD has 453 members but there are a few clubs lagging behind in their paperwork so, by the end of the year it will be around 550 members.

If you are keen for some adventure. Follow some of the other Ansa clubs on social media and you may find an event that interests you. For example. Out west is the Miles District Fishing club, and they have plenty of bush fishing outing. Just get in touch with them. I know people living on the peninsula are more 5-star silver service types, so a trip out west would do you good. You might have to put a roo bar on the Mercedes.

A quick fishing report. Simone and I fished Glass Mountain Creek last club day, It was very windy in the main passage but nice up the creek and no boats which is rare anywhere these days. It was a bit quite but at 10ish I was thinking we might head off. The start of the runout, the tide picked up and it was a bite a cast. Not all legal size but fun all the same. If I had some decent live mullet, it could have been a lot better.

Last fish I caught.

Tight Lines

Big Mick

QGFA Report

Hi members. The weather is dominating our billfish season, with only a few boats getting to chase fish. The Marlin are still around particularly out from Mooloolaba but the boats are having to travel out to the “Hards” to hook up. A few Sails have been tagged up there as well.

The Mooloolaba Billfish Babes was held in good weather although the sea was a bit sloppy, with 14 boats competing, 45 ladies and 1 junior. A total of 16 Black Marlin, 7 Striped tuna 4 Mahi Mahi and 2 Wahoo were caught. Our own Brad C was crewing on Filthy with one of the girls on board catching her first Marlin.

The Little Ships and Sunny Coast Tournaments have been postponed. The Newport Tournament is coming up in early March. It would be good to see a couple of our boats compete and hopefully take some of their prizes. I’m sure they will be checking all the entrants for eligibility.

Details for other tournaments coming up can be found on the QGFA website.

Tight lines, Ralph

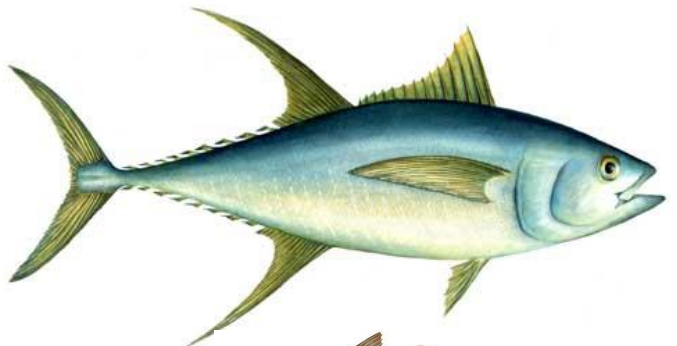

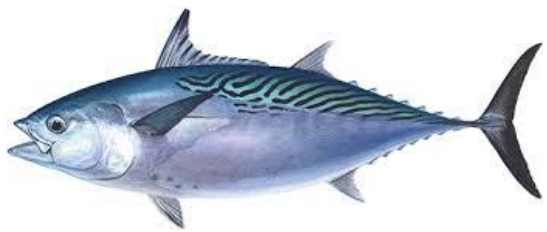

Weighmasters Report

Our February Weigh-in and Barby was a quiet one. We had some members away and windy conditions. We didn't see any "fish of the month" weighed so the prizes this month will Jackpot with a Tuna worth \$300 and a Whiting worth \$150, surely someone will catch a Whiting. It's a great opportunity to get the juniors out for a fish and maybe be rewarded with the cash. No other fish were weighed but Mick and Simone had been out and bought in their capture sheets to receive some double points.

Once again, we welcomed some new members. It was good chatting to them and sharing a few spots they could try.

Let's aim for a good turn out for Sun 13th March, bring the family and/or some friends down for a sausage and a chat. Hopefully the weather will be good and I might get to weigh some fish.

Tight lines. Ralph

February	Mackerel	No Winner	Cod	No Winner
March	Tuna (Yellowfin/ Mackerel/ Longtail)	\$300	Whiting	\$150

To win the money for the monthly nominated fish inshore or offshore species, simply weigh in the heaviest All fish weighed, regardless of whether they are in for the 'fish of the month' must be labelled with the angler's name and line class. To receive double club points, fish must be tagged or caught on the Club Weekend only and Capture sheets correctly completed and handed in or fish weighed in at M.B.B.C. from 3.30pm to 4.30pm on the Sunday. Prizes for the heaviest 'fish of the month' will be awarded so you must be there.

Reminder, club fishing weekend starts 4.00pm on Friday now and finishing on Sunday at 3.30pm.
