Chairman's Report

What a busy month it has been to start off our new season.

We started the month when we held the South Queensland A.N.S.A. Interclub Challenge and took out the trophy. There were members from 3 other clubs that competed for the trophy. It was a great weekend with lots of species caught.

The Moreton Bay Boat Club held it's A.G.M. early in the month. Our club was thanked for our support of the boat club. John Schultz was elected as a new director, and John Smuck received his 30 year badge congratulations to you both.

Friday Night raffles was a bit quieter than the previous month but we still made \$387 for our club. BONUS due to other section unable to do their night we got an extra one in this month making \$527, thanks to all those who helped out.

Our July Club weekend was well supported with some of our newest members weighing some quality fish, even the Sub Juniors getting on the board with a few Whiting. Both fish of the month species didn't go off so they jackpot for August. Neil Bailey took out the \$50 for the heaviest other species with a nice Cobia.

Some of us attended the annual Mariners Ball with Lynnie Day managing to have a dance with the club's Commadore. We all had a great night but I think there was some slow starters on the Sunday morning.

This month's meeting will also be our A.G.M. as I am not running again and would like to thank the outgoing committee for all their hard work during the year. I will be looking forward to seeing how the new committee shapes up.

Our Presentation Night is only a couple of weeks away now, being held on the 20th August and we are wanting to get final numbers for catering purposes so please get your forms in by the meeting on the 10th. (Copy attached to Tackle

Our club is off to a great start in the Club Championship, and we already submitted 21 species. Please remember to do a bit of due diligence around the identification of fish species. You can't submit a fish if you are not even sure what it is. Throughout the year, and particularly at the end of the year, the ANSA recorder (currently it is Helen Johnson) will scrutinise the entries and may reject the entry. This may have prevented another club member from entering the correct fish capture. If you need assistance logging captures, just ask. Easy to do once you have had a go, and if you do make a mistake, you can logon to your account and adjust it. Lodge your species online at www.ansaqld.com.au

FYI- Last financial Ansa Qld finished the year with 604 members across the state. I think that figure is up about 20 members on the year before

More tags have been ordered by Bob Dover and we should have them shortly. Look after your tags, try not to lose them or waste them on species that are not on a tagging program. If you have tags in your kit that you are not likely to use, just hand them back to me or a committee member. All the tagging programs are listed on the website.

You can now register for the Boondooma Fishing Festival. Kingaroy are also organising a Bus Tour of the region on the Saturday for any non-fishing folk if they get enough interest. I believe they plan to visit historical sites, have a lunch stop, and end up at a winery. More details to come. All members are invited to the festival. It is always wonderful to get out bush. Boondooma is about 3 and a half hours west. Just up the road.

Keep an eye on the ANSA events page for more exciting fishing opportunities including a Glen Lyon trip chasing Cod. I am told it's a good trip for kayakers, fishing the river downstream of the dam.

At the AGM there will be positions up for grab if you are looking to get involved in the state committee. Bob Dover who looks after tagging and Matt Leavy who does promotions are stepping back for now.

Fishing report – still plenty of Flathead around at the time of writing this. All the waterways seem to have them in good numbers.

Weighmasters Report

Fantastic Start of another year,

Our July **Weigh-in on Sunday** and Barby was excellent .

I was kept busy with some quality fish being weighed. You should have been there!!

Offshore fish of the month for Amberjack wasn't claimed so jackpots next month

Inshore fish of the month for tailor not claimed also jackpots

"Heaviest Other Species" and \$\$ went to Neil Bailey for his Cobia (10.5kg)

Other species weighed were Jewfish and Flathead gold spot wrasse , grassy sweetlips and some junior fishers even weighing numbers of whiting

it was great to see most members trying to land a few.

August club fishing weekend starts Friday 12th 4.30pm till Sunday 14th at 430pm

Nominated Species are parrot/tusk fish and flathead.

There's also been plenty of flathead around and this will be hotly contested, will last year's winner Diego keep the crown? Will the club all tackle record be smashed?

REMINDER: flathead Club record for all tackle length is 570mm for senior male and 560mm for senior female, currently no junior record.

Good Luck to those fishing !! Weigh in Sunday 3.00 – 4.30 pm

I have a couple of tag guns now for those wanting to tag bream and Moses' perch as part of our tag program , The club has cleaned ANSA out. And we have some more tag guns on back order.

WOW, so many great fishing stories, make sure you're at the **weigh in on Sunday**,
Cheers Neil

To win the money for the monthly nominated fish inshore or offshore species, simply weigh in the heaviest. All fish weighed, regardless of whether they are in for the 'fish of the month' must be labelled with the angler's name and line class. To receive double club points, fish must be tagged or caught on the Club Weekend only and Capture sheets correctly completed and handed in or fish weighed in at M.B.B.C. from 3.30pm to 4.30pm on the Sunday. Prizes for the heaviest 'fish of the month' will be awarded so you must be there.

Reminder, club fishing weekend starts 4.00pm on

Friday now and finishing on Sunday at 3.30pm.

OTHER SPECIES \$50 PER MONTH NO JACKPOTS
