Chairman's Report

G'day all,

It's been a couple of better months for fishing with quite a number of people getting out and about. We have had members fishing all over the place from Stanage to Boondooma Dam and plenty here at home. It was good to see a bigger turnout for the club weekend BBQ, with plenty of quality fish weighed.

Twelve club members attended the ANSA Sportfishing festival and AGM last weekend. As usual, it was a great weekend put on by ANSA and the Kingaroy SFC and the first time it was held on fresh water. Mick and myself joined Frank and Noel up there midweek for a fish before the weekend to get the lay off the land. We caught and released plenty of Bass over the four days, the best I have ever done on fresh water.

These kind of events are great things to get along to, fishing new places, meeting new people and having a lot of fun. At the Presentation dinner I picked up the Champion Junior trophy for Diego Zambrana, an excellent feat on his behalf to be the best junior in the state 2 years running. The scary part is he has now joined the senior ranks!

Our Sportfishing tournament will be held on the club weekend in November and plans are well under way for the Australia Day Billfish Tournament.

SIMRAD

The Boondooma Dam Fishing Festival was run on the October long weekend. It was a great event and as usual, the host club Kingaroy Sport Fishing Club were great hosts. It started off with a meet and greet Friday evening. Saturday was the fishing competition and then a bus ride into Proston Golf Club for a typical country feed and formal awards. Sunday morning was more fishing (a little cold and rainy) and then the presentation and raffle draws. Then we had the AGM and finished off with the NRL Grand final (Parra got ripped off again!). There were 58 attendees representing 10 ANSA clubs. Our club had 12 members attend.

The ANSA QLD committee for 2022/23:-

President - Adam Royle from Hinchinbrook SFC

Vice-President – Shaun Manthey from Kingaroy SFC - New

Secretary – Rod Enkelmann from Hinchinbrook SFC

Treasurer – Andrew Doherty from RPGSC

Events Co-ordinator - Mick King from RPGSC

Media & Promotions – Matt Sauer from Kingaroy SFC - New

Tagging Officer- Chris Proctor from Ipswich SFC - New

Helen Johnson – Records Officer from Bundaberg SFC

Outgoing members were Matt Leavy, Nathan Johnstone, and Bob Dover. Their contributions to the organisation need to be recognised as they did a wonderful job of re-establishing ANSA Qld, rebuilding the reputation and membership base. I tip my hat.

In regard to the tabled motions at the AGM:-

1. Removing Sharks from ANSA QLD Eligible species list. Motion was passed but we voted against it. Note this does not affect our own club lists or the National list.
2. Accident & Injury extra insurance not renewed. Motion passed and Redcliffe voted in favour of this motion. We are all still covered for liability.
3. Add Carp and Tilapia to the Eligible Species List. Motion passed and Redcliffe voted in favour of the motion.

Cheers,
Mick

Weighmasters Report

Congratulations to all that fished on our club weekend. There certainly was a great variety of species to weigh and some possible new club records. Possible female all tackle length for Tailor, possible all tackle length for junior for Trumpeter Whiting. Possible all length record for Mack Tuna, and possible all tackle length for Snapper.

The offshore species and \$150 was won by Andrew Burke bringing some cracking Snapper to weigh. The whiting going to Matt with some nice Summer Whiting getting \$50 for his effort. Mick King winning the other species \$50 with some solid Mack Tuna and a \$10 gift voucher from Sandgate Tackle Land going to Athea Phillips. Fantastic to see a couple of the juniors getting involved as well, great effort!!!!

The club scales have been certified , ready for the summer run of pelagic/ marlin. This month's club day species are Pearl Perch and Javelin fish, I hope to get offshore and am looking forward to some favourable weather. Reminder the club record all tackle length Pearl Perch is SM 435mm no female no junior records. Reminder club record all tackle length Javelin is SM 350mm no female no junior records

Offshore Report - have been a couple of reports from the Sunny Coast of Dollies at the Hutchies fads and a couple of Sailfish up north. Inshore Report - There are still plenty of Flathead and Whiting around the local areas, and Snapper around Woody Point. At this time last year I tagged a lot of Moses Perch on the local reefs and have some tag guns for those wanting to tag Bream and Moses' Perch as part of our tag program , cost \$20.

WOW, so many great fishing stories ,make sure you're at the weigh in on Sunday ,

Cheers Neil
