# *Chairman's Report*

G'day all,

Happy new year to everyone hope you all have a good one. The December weigh in and Christmas BBQ was well attended and the kids really enjoyed the visit from Santa.

We are now busy focusing our attention on the MBBC Redcliffe Australia Day Billfish Tournament. Hopefully we will have some good weather so start getting your entries in. It has been good to hear that plenty of marlin have been showing up along with plenty of members stories of other fish being in good numbers too.

# *Club Captain's Report*

Welcome to 2023 fishos!

I hope everyone had a great Christmas and managed to fill the tackle room a bit more. There weren't too many windows of good weather over the period, but I could see through the Redcliffe chat that quite a few of us still made it out. I started the break with bringing a new boat back from Gladstone which sounds easier than it was. Chalk up another adventure on the high seas!

January sees us hosting our annual Billfish tournament which is always one of the major tournaments on the map in S.E. QLD. This is the first year that sees us allow 10kg line class into the light tackle tournament arena, and it has already started promoting some healthy discussion. The expectation is that it should be better on the fish, allow for more tags to go in, and allow juniors a bit leeway in the fight that can end in a positive way. It will be interesting to see if other clubs follow suit.

On the fishing front, plenty of billfish are still being caught in the trench and some mahi mahi are turning up around the cape and around the FADS up the coast. An early morning bite last week saw one boat land a few yellow fin around hutchies as well, so there is plenty to chase.

Bribie comp this weekend with briefing on Friday the 13<sup>th</sup> and fishing on the 14<sup>th</sup> and 15<sup>th</sup>. This is a weeks delay from the original date due to weather, and it would be great to see some Redcliffe Boats attend. I am certainly planning to. Cheers,

Matt.

**BOAT CLUB**

Hi Fishos,

Champion Club status, we are still in 4th position with 38 species. Next event on the ANSA calendar is the Statewide Species Challenge to be held on the May day Long weekend. There is no need to register for this event. The aim of this competition is to catch as many different species of fish over the weekend. It doesn't matter if you tag or bag your fish. The fish can be of any size, but you will need to take a picture and measure and submit. There is no obligation to compete for the full time. It is just meant to be some fun. I think Bundaberg won it last year.

After that, later in May, Sunshine Coast SFC will be hosting the STH QLD Interclub Challenge May 19th to 21st. This event will be run out of Carlo Point. Venue will be BIG4 Breeze Holiday Park. Some of our members have been here before and can provide insight into accommodation and fishing options. Challenge is a club-based event, and our club is the defending champions. There are inshore, offshore and land-based fishing on offer. Full details should be on the ANSA events page very soon.

As far as a fishing report, I have not done much fishing due to weather and family Chrissy commitments. I have ducked out for a few quick trips up the Caboolture River and done ok on the lures. Using soft plastics, we have been getting Flathead and Grunters. But the most fun has been watching Sam using surface popper for on the bream. They are very aggressive and will chase the lure out a long way from the snag. I still haven't got the red dog that I am chasing but I hope soon to work them out.

Tight Lines,

Mick King

# Weighmasters Report

Congratulations to all that fished our last club weekend.

Like a lot of this year, the weather was a little breezy, so no offshore species were caught. Offshore species were Wahoo none weighed, so jackpots next month to \$200  
The inshore species for December was Bream. One bream weighed, Neville taking the \$100 prize.

This month's club weekend fishing comp species are Mackerel @ \$200 and Dart @ \$50. Club weekend being Friday 13<sup>th</sup> starting at 4pm and finishing at the weigh in on Sunday 15<sup>th</sup> at 4:30pm

Reminder club record all tackle length Mackerel – *None recorded*  
Reminder club record all tackle length for Dart (at time of printing) – 410mm

Offshore report - There has been a great run of small blacks in the trench, with good reports coming from local boats and crews. Dollies are being caught around the fad N/E of Hutchies.

Inshore report - There are still plenty of flathead and whiting around the local areas, and some solid numbers of threadfin salmon in the Brisbane River near the port.

Safety reminder – please check the swell heights from the offshore wave rider buoys if venturing offshore. Just google Brisbane wave rider buoys.

WOW, so many great fishing stories ,make sure you're at the weigh in on Sunday.

Happy New Year,

Neil
