Chairman's Report

G'day all,

A quiet month in general with no species of the month being caught at our last club weekend.

We have had a few members fishing a couple of game tournaments and we had 10 people at the Tag-a-toga event held by the Kingaroy Sportsfishing Club.

We are holding a camping weekend at Borumba Deer Park on the weekend of the 17th to the 19th of March so come along for a bit of fun, relaxing, fishing and drinks around the camp fire with some tall stories.

Club Captain's Report

It's been a mixed month weather wise. Some glorious days with some absolutely horrible ones mixed in. Unfortunately for the Back to Tangas tournament, it was the latter with fishing reduced to the Friday only and even then it was a day for only the brave. Very few billfish were caught which is perhaps a sign of either the conditions, or the fact that we are getting later in the season with Summer now behind us.

It will be interesting to see how the Newport tournament fares. The weather looks good, just need the fish!

In other news, the Borumba weekend is locked away and will be held on the weekend of the 18th and 19th of March. We have a private area with plenty of room for boats and is shaping up to be a lot of fun. Having seen some of the photos from the Tag a toga weekend, it appears there are a few fish to be caught as well. If you want to come along, quote our group booking ID, and feel free to bring any friends who might be non-members. It's a great opportunity to show prospective members what the club is all about. Oh, and don't forget the Red claw pots. See you at the Wednesday meeting!.

Tight lines,
Matt.

Hi Fishos,

Champion Club status, we are still in 4th position with 46 species. Next event on the ANSA calendar is the Statewide Species Challenge to be held on the Mayday Long weekend. There is no need to register for this event. The aim of this competition is to catch as many different species of fish over the weekend. It doesn't matter if you tag or bag your fish. The fish can be of any size, but you will need to take a picture and measure and submit capture on the ANSA website.

After that, later in May, Sunshine Coast SFC will be hosting the STH QLD Interclub Challenge May 19th to 21st. This event will be run out of Carlo Point. Venue will be BIG4 Breeze Holiday Park. Challenge is a club-based event, and our club is the defending champions. There are inshore, offshore and land-based fishing on offer. Visit the events page to register. You need to book your own accommodation and mention you are with ANSA Interclub.

The Maryborough Fishing Festival will be based at the Wallace Caravan Park, Ferry St Maryborough. Date from September 29th to October 1st. I usually get there earlier in the week to sample the fishing options. Barra and King Salmon can be caught within 500 metres of the park. Book your accommodation early.

Fishing report – Recently headed up to Villeneuve at the top of Somerset dam to tag Saratoga and end up with 2 from 4 hook ups on bait which is pretty good. A 47cm and a 43cm but dropped the biggest which would have been about 70cm. I need to put more time in there.

Sam King and I finished in 4th place in Tagatoga. Over the 4 fishing sessions we caught one Yellowbelly at 45cm, 13 Bass to 38cm and 11 Toga to 76cm. Most of the Toga were caught on baits under a float but 2 were caught on lures. Best lures, a white Jackall TN60 and a ¼ TT Vortex spinnerbait in baby Bass colour. Altogether, there was 113 Toga caught with the biggest going 79cm.

Note: Monduran Dam is still firing for Barra and more of the bigger models are starting to bite. This hot fishing should continue.

Tight Lines,
Mick King
