Chairman's Report

G'day all,

it's been a great month for fishing with some cracking weather and some great fish being caught. We had a great club weekend camping at Borumba Deer Park with about 20 members attending, thankyou Matt Kroll can't wait for the next one.

We will be running monthly Facebook competitions with a \$50 bcf voucher up for grabs. This month we are after the best fishing photo or video that club members post to our Facebook page .

Details to be announced on our Facebook page.

The ANSA SEQ Interclub Challenge is on from the 19th to the 21st of May, it is being hosted by the Sunshine Coast Sportfishing club at Carlo Point. This is a Club Challenge with our club being the defending champions, the more club members we get there the better the chances. If your interested the details are on the ANSA website or contact Mick or myself.

Regards,
Vaughn Daly

Club Captain's Report

A lot of fun was at the Borumba freshwater trip with Vaughn taking the title for longest toga, and Ethan taking the prize on longest other species with a tagged yellowbelly. Redclaw were plentiful and well received along with the good fishing.

The camping area was great and provided for a great sense of community with the gatherings around the club bbq for dinner. I found it good to air out the camper once again, and managed to take Marlin (the dog) for his first boating adventure on the dam. Kids had a ball, and we will be back!

Fishing has been on and off of late. The Newport comp has been and gone and had good attendance and good numbers of fish caught. Unfortunately, they were all off Mooloolaba. The 8 mile is still hot and cold with fish there one day and gone the next. The bait off the Hards appears to have now moved on as well, so we might be looking at the wider grounds for our fix of billfishing soon and chasing some of the bottom dwelling species again.

April will be a no-go for me thanks to work commitments, so expecting to live vicariously through other club members photos on the messenger group. Don't let me down! 😊

Tight lines,

Matt.

MORETON BAY
BOAT CLUB

Hi Fishos,

Champion Club status, we are still in 4th position with 46 species. Next event on the ANSA calendar is the Statewide Species Challenge to be held on the Mayday Long weekend. There is no need to register for this event. The aim of this competition is to catch as many different species of fish over the weekend. It doesn't matter if you tag or bag your fish. The fish can be of any size, but you will need to take a picture and measure and submit capture on the ANSA website.

After that, later in May, Sunshine Coast SFC will be hosting the STH QLD Interclub Challenge May 19th to 21st. This event will be run out of Carlo Point. Venue will be BIG4 Breeze Holiday Park. Challenge is a club-based event, and our club is the defending champions. There are inshore, offshore and land-based fishing on offer. Visit the events page to register. You need to book your own accommodation and mention you are with ANSA Interclub.

The Maryborough Fishing Festival will be based at the Wallace Caravan Park, Ferry St Maryborough. Date from September 29th to October 1st. I usually get there earlier in the week to sample the fishing options. Barra and King Salmon can be caught within 500 metres of the park. Book your accommodation early.

Fishing report – Recently headed up to Villeneuve at the top of Somerset dam to tag Saratoga and end up with 2 from 4 hook ups on bait which is pretty good. A 47cm and a 43cm but dropped the biggest which would have been about 70cm. I need to put more time in there.

Sam King and I finished in 4th place in Tagatoga. Over the 4 fishing sessions we caught one Yellowbelly at 45cm, 13 Bass to 38cm and 11 Toga to 76cm. Most of the Toga were caught on baits under a float but 2 were caught on lures. Best lures, a white Jackall TN60 and a ¼ TT Vortex spinnerbait in baby Bass colour.

Altogether, there was 113 Toga caught with the biggest going 79cm.

Note: Monduran Dam is still firing for Barra and more of the bigger models are starting to bite. This hot fishing should continue.

Tight Lines,
Mick King

Forever in our memories

In Loving Memory of

BRIAN MANGNALL

12th July 1941 - 7th November 2022

In 1991 Brian moved up to Scarborough from Melbourne for work with Alcan. He joined the Moreton Bay Boat Club and the Fishing Section that same year.

Brian worked tirelessly for the club, serving on many committees and sub committees, and was instrumental in making our Australia Day Billfish Tournament the success that it is today on the QGFA calendar.

Promotion of Women and Juniors in fishing was of particular interest for Brian, as was his passion for ANSA where he became addicted to the sport in the early 80's.

He also promoted the Fishing Section/Fishing Club within the Moreton Bay Boat Club, gaining respect and credibility from both the Board and the staff which continues to this day.

Brian also served as chairman for 6 years over 2 terms.

In 2006 Brian was bestowed the honour of Life Membership for his dedication and hard work.

Many club members will have lasting memories of Brian's friendship, willingness to help and teach people fishing techniques – especially newcomers to the sport – and his great company when out fishing in either his boat or theirs. Those of us that serve and have served on committee will be forever grateful for his wise counsel and guidance, especially in the tough times, and his knowledge of the history of the club.- RIP Brian
