# Chairman's Report

G'day all, there has been some great weather for fishing lately and reports of some good fish being caught, need to see some more pics on Facebook for the \$50 bcf voucher for best pic. The points scores for May and June are never posted in the Tackle Box so there could be some changes in the positions for the Trophy winners so get out there and wet a line. As the weather cools down our shallow reefs should start to fire up.

Presentation Night has been locked in with the boat club now for the 26th August so add the date to your calendar. Our next Club Meeting will be on the 10th May see you all

there.

The ANSA STH QLD Interclub challenge is being hosted by the Sunshine Coast Sportsfishing club this month on the 19th - 21st of May, this is a free event and don't forget to register on the ANSA website. There

will be prizes and the STH QLD Interclub Trophy is a club award and will go to the club with the highest scores, we need as many members as possible so rig up your lines and

kick some interclub butt!

Regards,

Vaughn Daly
