Chairman's Report

G'day all,

it has been a bit of a busy month. I have got myself into a bigger boat, 5.6 meters, we had Noel, Frank and Mick representing the club at the STH QLD Interclub Challenge and a handful of members have been away fishing like Neil Bailey who sent through some great pics from 1770.

There is only one month now to get as many capture sheets as possible in for the end of year awards, if anyone has a good toilet seat award nomination send us through the story.

Our guest speaker for our next meeting is Justin Wilmer from Tackle Tactics and he will be bringing a lucky door prize worth \$350 including

Tackle Block, 8 x ZMan plastics, Pro-Cure Scent, HeadlockZ River and Estuary Value Pack (25 jig heads), 3 packets Big EyeZ, Hard Amour Leader Supple 10lb and Tough 20lb, Premium Black TT Cap, Can Cooler and Sticker Pack. So come to the meeting and if you know someone who is interested in joining bring them down

. Hi Fishos,

The ANSA S.E QLD Interclub Challenge was run last month up at Carlo Point. Hosted by the Sunshine Coast Club. The event was attended by 51 members from 4 different clubs. Our club only had 4 fishos having a crack, and we finished in third place behind Sunny Coast. Kingaroy SC took the big Trophy home to the bush. Shaun Manthey and crew caught a heap of fish offshore. The fishing was very good up there with plenty of fishing options, and the boats that went offshore caught some very nice fish. I mostly targeted the Flathead (again). From half tide out, there were many good-looking gutters with Flathead sitting in the shallows. Biggest I got was 582mm. A white 3" paddle tail Z-man on ¼ jig head did the trick for me. The BIG4 where we stayed was next to the boat ramp and there was plenty of room. The host for next years event has not been determined yet.

In the Club Championship we are in 4th place with 69 species. We are almost at the end of the fishing year, so please submit any outstanding tagging details. Great to see Jesse Harbourne getting out fishing regularly contributing many species.

Next ANSA event is the Fishing Festival to be held a Maryborough, on the October long weekend.

Fishing report – I got about good size 15 squid in the Bribie Passage, all on 95mm Zerek Fishtrap lure in Fat Betty color. I use these lures so I can target fish at the same time and the squid nail them. The morning high tide was the best bite.

Weighmasters Report

June ,2023

Congratulations, to all that fished our club weekend. The Sunday afternoon BBQ and weigh in was a little quiet , and as always, some quality fish being weighed.

The offshore species were sweetlip /emperor, - *None weighed.*

The inshore species for Bass, - *None weighed*

The other species (heaviest) – Snapper – Andrew Burke taking the money and possibly taking the all-tackle length record for the club

Offshore report - There has been a few Blue Marlin being caught on the wide ground off Moreton and the gold coast The Snapper are starting to show up in good sizes around the reefs close in off the Cape and wide Caloundra. Don't forget the snapper /Pearl perch closed season starts 15/7/2023

Reports of whales now coming up the coast, so keep a proper look-out when travelling offshore, I like to target cobia at this time of the year.

Inshore - There are lots of Mackerel in the bay at the moment, try floating a pillie while you're drifting around the front of Scarborough.

WOW, so many great fish , Ing stories

See ya at the **weigh in on Sunday** , Cheers Neil
