# Chairman's Report

G'day all,

we have had some great fishing weather lately and I have seen quite a few members out on the water. I have been venturing out wider in my new boat, now just have to unlock the code to getting some decent fish 😊.

A big thankyou to Justin Willmer for being our guest speaker and Tackle Tactics for the lucky door prize, won by Andrew Burke, it was highly informative. This month's meeting coincides with the third State of Origin, so it will be a short sharp meeting and those that want to stay and watch a Qld whitewash 😊 at the club it is free beer and wine till first points are scored and nibbles at half time.

Anyone interested in attending the ANSA Agm and Sportfishing festival on the long weekend in October at Maryborough there is a link on Facebook or go to the ANSA website, alternatively you can contact myself or Mick King.

# *Club Captain's Report*

- The cold weather continues to bring some clear days with light winds, and quite a few of us have managed to get out there and make the most of it. The snapper have been on the chew, with good catches of sizeable fish, and pearlies continuing to top up quite a few anglers' eskies. Many of you will recall the great information night we had last month from Justin Wilmer at Tackle tactics, and you just need to look at Andrew's catches to see that his advice on the snapper is well placed.
- QGFA notices of motion have now closed, and Brad Clayton will represent us at the AGM in Cairns on the 5<sup>th</sup> of August. If you have anything game fishing related that you would like to have discussed, be sure to pull Brad aside and have a chat to him. These events are a great chance for like-minded people in the game fishing fraternity to get together and discuss how we can progress our sport so let's not miss the opportunity.
- Reminder also of the new Spanish Mackerel limits that came into effect on July 1<sup>st</sup>. Possession limit is now 1 per person and maximum of 2 per boat regardless of people on board.
- Enjoy the weather and get out there.

Tight lines,

- Matt.

Hi Fishos,

July Report

It is a new fishing year, and the competitions start from fresh. Jesse Harbourne submitted the first species for our club. A nice 410mm Bass. I can see Jesse racking up a heap of captures this year.

The wrap up for last year 2022/23, and Cairns won Champion Club, followed by Bundy and Sunny Coast. RPGSC finished in 4<sup>th</sup> position, just off the podium with 70 species. Great effort. This is an improved effort. Last year it was 61 species and 57 species the year before, so we are trending in the right direction. I know for a fact that some members didn't log many of their fish, so hopefully, if you can, get a few pics of your fish on the mat and submit them. Even if you think you are gun anglers, you can still get involved. You don't have to submit all of them, just check the list. There are some changes to the eligibility species list and trophy lengths, this year. There are too many to mention here, so just visit the site and have a look around.

We are also looking at the option of an AGM Fishing festival in Weipa the following year. There is an ANSA club there, and they are gauging interest from their members.

Fishing report – Laura Fielding caught a 500mm Flathead recently that had a tag in it. Turns out it was tagged 9 months before and only grew 20mm. And tasted delicious. Also, Sam has been fishing Kurwongbah Dam and catching plenty of good size Bass on spoons and blades.

# Stanage Bay

Our May trip to Stanage bay this year brought fantastic rewards of good fish size & numbers, but it was tough going in the heavy seas for the whole week , it sure helps when the fish are on the chew! We did manage to fish every day, but you had to be quite hardy, to brave the conditions to be out there & unfortunately we couldn't venture as wide as we normally would, but with good fish and great mates it was still a great trip.
