Chairman's Report

G'day all,

I have just come back from an awesome 6 days away at the Maryborough Sportfishing Festival and ANSA agm with Mick and Frank. The fishing was hard as the tides were quite large, but we managed to land a few fish.

Maryborough sportfishing club organised a great event with an unofficial meet and greet held on Thursday evening at Fraser Coast Fishing and Camping, one of the events main sponsors. Friday night was the official briefing night with a roast meal organised, Saturday night was the presentation night and dinner at the Sydney Hotel. Sunday arvo was the weigh-in and presentation of prizes followed by the AGM

We had a bit of a change to the committee with Adam Royle stepping aside from the President position and becoming vice President with Shaun Manthey from Kingaroy becoming President. Sunday night was over to the hotel for dinner and to watch the GF unfortunately not the result I was hoping for. The sportfishing festival is also a great chance to catch up and chat with fishos from all over the state, old friends and meeting new ones.

Our own Sportfishing Tournament is on the weekend of the 27th October to the 29th, there will be some good prizes up for grabs, so get your entry forms in. You will find them and more details the back of the tacklebox.

Regards,

Vaughn Daly

Club Captain's Report

Been a slow month for me on the water this month only getting out once. I had planned to fish the flathead classic down on the Gold Coast with team Surf Coast Suzuki but unfortunately came down ill the night before. The only trip I did get in was off Mooloolaba having the pleasure of fishing with Evan Jones on "final edition" in his 22.5m luxury game boat earlier in the month.

As with most trips out on final edition the target was blue marlin, a bit of bumpy ride out but can't really complain being on a vessel of this size. However, once we got past 200m depth it glassed off.

Fishing was slow with a quiet morning with no strikes or action until around 10 am when a fired up "blue" came racing up behind the short corner just off our teaser. I jumped to action and cracked the lure in and out, his got him really lit up coming up a few times but no luck getting him to commit. we had pitch bait ready but, in the panic, no one got it out cleanly.

On the reef side the snapper and pearlies are still firing, Been seeing some good reports from charter op "Smithy" who has been reporting some good days on the snapper bagging his charter out a few times. He's also had some crazy bags with kingfish and amber jack which seem also to be on fire on Lives and jigs, when you get out wider and fish the wrecks and wider reefs. Other surprising catch's I seen some good bags of medium and small size dolphin fish; I have heard the wider fads have been removed but the closer one's off Mooloolaba have been holding a few fish.

Anyway, till next time tight lines

October 23 Report

Hi Fishos,

On the recent long weekend, the Chairman, Franko, and myself, along with the Doherty gang, attended the ANSA Maryborough Fishing Festival, held on the October long weekend. There was approximately 60 people attending from affiliate clubs from all over the state. It was a great time, with excellent weather and Dean Rock and the Maryborough Club were wonderful hosts. There were some fantastic fish caught by the anglers. Next year the Fishing Festival will be hosted by Bundaberg SFC

The 2023/24 ANSA Qld Committee is:

President – Shaun Manthey (Kingaroy SFC)

Vice President – Adam Royale (Hinchinbrook SFC)

Secretary – Rodney Enkelmann (Keppell Bay SFC)

Treasurer – Andrew Doherty (RPGSC)

Recorder – Helen Johnson (Hinchinbrook SFC)

Events – Mick King (RPGSC)

Tagging Officer – Chris Proctor (Ipswich SFC)

Media and Promotions – Robbie Proctor (Ipswich SFC) and Ashley Schiffke (Bundaberg SFC).

We will be running the Redcliffe Sportfish Challenge on the weekend of the 27th-29th October. A small entry fee but it will be worth it with some great prizes. Join in and have a crack at the title.

Kingaroy SC has been chosen to host the Sth Qld Interclub Challenge next year, to be held at Bjelke-Peterson Dam. This will be on the 13th-14th April.

Fishing report – King Salmon are active in the Brisbane River mouth. I had all my success on live Herring fished in 3 to 4 metres of water. You can either hunt them with your electrics or wait for them to come to you as they are continuously moving around.
