# Chairman's Report

G'day all,

I've only been fishing a couple of times this month due mainly to the weather being ordinary for most of the times I could have gone out. Went down to the port hunting Threadies with no luck but Yvette had a fun fight with the biggest fish she has ever caught turned out to be a little Bronzie around a metre long.

2nd trip was a weekend up at Somerset Dam with the Kings and Skinners, it was great to see Greg back on the water after a couple years off.

This month we ran the Friday night raffles at the Moreton Bay Boat Club twice and raised a fair bit of money for the club. It would be great to see a few more members get involved in this as it very much comes down to the same core of people doing them.

Get your entries in for the sportfishing competition we have some great prizes from Tackle Tactics ( Z-man, Okuma, Platypus and TT ), Diawa and Samaki. Entry forms for this fantastic event are in the back of this month's Tacklebox or on our Facebook page

Regards,

## November 23 Report

Hi Fishos,

Currently, in the Champion Club category, we are in 4<sup>th</sup> place with 26 species. Hopefully, we can rack up some pelagic species over the next few months. Jesse Harbourne is leading Junior Champion. Well done, Jesse.

Kingaroy SC has been chosen to host the Sth Qld Interclub Challenge next year, to be held at Bjelke-Peterson Dam. This will be on the 13<sup>th</sup>-14<sup>th</sup> April. The target fish here are Bass, Yellow belly and Saratoga. The good thing about this dam is there are wineries close by, so if you can't fish, you can always get on the plonk. And it is just so wonderful to get out of the city and into the bush for the weekend.

Please get your capture sheets into me asap. There is a time limit which I need to uphold to be fair to all the members that are doing the right thing. If you are unsure if you are fishing sportfish or gamefish categories, you need to brush up on your rules.

Fishing report – Somerset Bass are on the chew. Trolling 4m to 6m deep diving lures will get you fish. Follow the flats next to the creek bed. The colours of the lures don't seem to be as important as lure depth. The fish will be sitting around the thermocline, which is easy to be seen on the sounder. Also, the Bass will hang around the massive bait schools. There will also be some Yellow belly mixed in.

I haven't been fishing much so nothing else to report.

Tight Lines

# Weighmasters Report

November 2023

Our club ***Weigh-in on Sunday*** and Barby was excellent, some good fish weighed for those that made the effort. The weather was a little iffy with 15-20knts all weekend.

Offshore fish of the month for pearl perch fish wasn't claimed so jackpots to \$100 next month.

Inshore fish of the month for javelin wasn't claimed so also jackpots to \$150.

"Heaviest Other Species" taken out By Andrew Burke for the yellowfin tuna weighing 14kg. \$50 for the effort.

November club fishing weekend starts Friday 10th 4.30pm till Sunday 12<sup>th</sup> at 4.30pm

Nominated Species for November are Mahi- Mahi \$100 and Salmon \$150, and a cash prize for heaviest other species \$50.

Inshore report - Whiting have been plentiful around Hayes inlet with fish around the 40cm mark fishing the last 2 hrs of the run up tide seems to work .

Offshore report - the schools of tuna seem to have disappeared, but quite a few Spanish mackerel being caught just north of hutchies, could also be worth trying for wahoo.

I think everyone's waiting for the reports from Hervey Bay game fishing tournament held on the 10<sup>th</sup> – 12<sup>th</sup> November. Its usually a good gauge to our marlin season.

Don't forget our sportfishing comp new dates are 17<sup>th</sup> – 19<sup>th</sup> November

WOW, so many great fish , ing stories ,make sure you're at the ***weigh in on Sunday*** ,  
Cheers Neil
