Feb Report

Not a lot report this month due to poor weather and limited opportunities.

I just want to say thanks to George Bury and Scotty Phillips for their talk at last meeting on all things game fishing. Newcomers would have learnt so much, and I even learn a few handy tricks. Then they proved their skills by winning the Australia Day Billfish comp.

In the Champion Club category, we are sitting in 5th position with 34 species to our credit. Now is the time of year we can rack up a few of the summer pelagic species. To long your captures with ANSA, visit www.ansaqld.com.au/awards/entry-form/

Date Saver - Sth Qld Interclub Challenge to be run at Bjelke-Peterson Dam. The Interclub will be held on the 19th-21st April. Our club will be chipping in with some funds to help cover members camping costs. The club executives want to give back to the members and encourage participation. There is a very important trophy on the line and the more people fishing from our club the more chance of a win. Kingaroy SFC currently hold the trophy.

Date saver – QLD Statewide Species Challenge is on the May Long Weekend. Last year we only accumulated 11 species and finished in 6th place. I think Noel was our highest scorer again with 9 species. Looking for an improved effort this year fishos. No requirement to fish the whole weekend, just fish when you can or want.

Weighmasters Report

February ,2024

Congratulations, to all that fished our weekend.

The weather was a little unpredictable . usual for this time of the year, offshore species were mackerel *none weighed, so jackpots next month to \$150*

The inshore species for January was Dart – none weighed, *jackpots to \$100*

Other Species weighed were Nigel Harbournes thready weighing in at 7.1kg. Great effort guys

This month's club weekend fishing comp species are Kingfish / Cobia @ \$150 and cod @ \$100, club weekend being Friday 16th-.starting at 4pm and finishing at the weigh in on Sunday 18th at 430pm.

Reminder club record all tackle length cobia- 1113mm.

Reminder club record all tackle length for cod - 600mm.

Offshore report - the Aussie day comp had everything, the lead up with the uncertainty of a cyclone heading towards us . the Loch broken denying vessels access, the offering of a small amount of Marlin on the gold coast etc But despite all this the committee forged ahead delivering the best tournament to date , the feedback I got was that it was the best run fishing tournament some people had been to in years .

Inshore - There are still plenty of flathead and whiting around the local areas, and large numbers of spotty mackerel showing up in the Bay , after the recent rain events try cast netting for prawns and we will also start seeing the larger snapper moving along the front of Redcliffe,

WOW, so many great fish , Ing stories ,make sure you're at the ***weigh in on Sunday*** ,
